STOP THE FIRST COLD

A cold does not get well of itself. The process of wearing out a cold wears you out, and your cough becomes serious if neglected. Hacking coughs drain the energy and sap the vitality. For 47 years the happy combination of soothing antiseptic balsams in Dr. King's New Discovery has healed coughs and relieved congestion. Young and old can testify to the effectiveness of Dr. King's New Discovery for coughs and colds. Buy a bottle today at your druggist, 50c. Adv.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; also cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.

Your Feelings and Your Feet

Have your shoes ever hurt you? Hurt your pride--because they did not keep their shape, because they looked "ordinary?" Hurt your feet--because they had not fit exactly in the first place and run over at one side or turned at the heel as they wore, and so rubbed and pinched and pressed on tender nerves.

And when your shoes hurt you either mentally or physically, you can't be happy--you can't be cheerful--you can't be pleasant to live with--even to yourself.

You know how you feel. Most of us have had such experience at least once. But it need never happen again with our shoe service within reach.

At our store you get the benefit of experienced shoe fitters. Our trained salesmen assist you in selecting just the right shape and size which will insure lasting comfort.

As for the shoes themselves, you can be blissfully serene in the certainty that your footwear is the very last word in correct style, with all the quality of material and workmanship which you would expect in genuinely good shoes.

It is our chosen business to sell real shoe service and good shoes for men, women and children. The variety is surprising--the range of prices wide. We are at your service.
